NEW SERIES: VOLUME II; No. 43

BARBOURVILLE, KY., FRIDAY, AUGUST 26, 1921

ONE DOLLAR AND FIFTY CENTS A YEAR IN ADVANCE

PROF. R. C. MILLER DOES GOOD WORK

Prof. Richard C. Miller, extension specialist in sheep husbandry of the University of Kentucky College of Agriculture, expects to see large results for the wide distribution of the purebred animals thruout the State. Prof. Miller attended the Second Farmers' Better Sire Sale and aided a large number of the 2,000 farmers there in making their selections. He declared himself as pleased with the quality of the animals offered and the response and interest of the farmers present.

The success of the sale was in a large measure due to the Kentucky Sheep-breeders' Association thru which nearly 300 pure bred bucks and ewes and 2,200 high-grade ewes were obtained.

A Better Swine Sale will be held in October by the Louisville Livestock Exchange under similar conditions.

U. OF K. GLEE CLUB

An opera to be presented in Lexington in November, and a tour by the Glee Club thru Kentucky and a northern or east rn trip are among plans of the Music Department of the University of Kentucky for the coming session. Prof. Carl A. Lampert says that last year's musical organization will return practically intact and that a larger number of freshmen is expected in September with unusual musical talent.

Glee Club concerts will be given in eastern, northern and southern town of the state. Alumni clubs have been trying to arrange for an appearance of the troubadours in several of the larger cities of the country. Two trips are being considered by Prof. Lampert. Cincinnati, Cleveland, Indianapolis and Chicago, or Washington, Philadelphia and New York. There are many alumni and former students of the U. of K. in all these cities.

Both a University and a cadet band will be organized in September the former admitting only skilled musicians and the latter, those those requiring further training. Band equipment has been obtained for fifty men, \$4,000 worth of instruments having been received from the federal government recently.

Mikado, a very tuneful and popular piece, has been selected since the talent now available is peculiarly fitted to it. It will be presented as a part of the Home Coming at the University on Thanksgiving Day and the day preceding.

ATLANTA, Ga., August 25. —The Southeastern Passenger Association announces that special rates have been granted to Kentucky Legionnaires and their families attending the Third State Convention at Lexington September 1st and 2nd. Reduced rates will apply from points in Kentucky and from Cincinnati, O. and Jellico, Tenn.

Mrs. E. W. Roach and children, of Hazard, came in by auto from Corbin Saturday and visited several of their friends.

MARCUM-DYSARD

FRANKFORT, KY., Aug. 20. — Mrs. Maud Tinsley Marcum, of this city, and Judge H. I. Dysard, mayor of Ashland, were married today in Lexington, the Rev. Mark Collins, of the Broadway Christian Church officiating.

Mrs. Dysard, a daughter of Mr. and Mrs. W. W. Tinsley, of Barbourville, has been assistant state librarian for over a year. Judge and Mrs. Dysard left in the evening for Ashland, where they will go to house-keeping. —Louisville Herald.

The Advocate joins the many friends of Mrs. Dysard in wishing her complete happiness in her new home, but must add a note of selfish regret that she will not be with us for her leadership was always for good in her home town which will always claim her. Judge Dysard is to be congratulated upon winning such a charming and accomplished mate.

ADAMS

Mr. James C. Adams, 74 years, 2 months and 15 days, who lived in a small home adjoining that of his son Harry C. Adams, foreman in the C. & M. roundhouse, died suddenly on Sunday morning at 9 o'clock. The funeral was held at the City Cemetery Tuesday at 10:30 a.m., three of his sons being present.

Deceased was a carpenter by profession and was born at Washington Va., coming to Barbourville a few months ago to be with his son.

POST OFFICE MAKES PLEA

We are in receipt from the postal officials, asking patrons of the post office to be kind enough to exercise every care in addressing mail. Write plainly in ink or by typewriter, and be sure the "La., "La., "Cal., "Col." abbreviations are plainly written. Faulty addressing causes much lost time and expense to the post office.

M. R. LADIES AID MEETING

The meeting on August 5th was with Mrs. H. H. Owens when twenty members were present. In the business session the Church Committee made a favorable report.

The pastor, Rev. John Owen Gross gave an interesting talk.

During the social session the hostesses assisted by Mrs. James D. Black and Miss Gertrude Black, served ice cake and mints.

Mrs. Rowland was a visitor.

The Ladies Aid of the Methodist Church met with Mrs. H. T. Miller, August 19th, with twenty-two members in attendance.

During the usual routine of business it was decided that the Aid serve ice cream at the School Fair. On account of the next meeting conflicting with the Knox County Fair the Aid will meet with Mrs. J. E. Faulkner on Friday, August 26. After adjournment the hostess served delicious ice cream and cake.

His many friends will be delighted to learn that Judge W. W. Tinsley is improving nicely after quite a serious illness. He is able to sit up and move around the place.

MINTON'S SADDLE MARES AT LAWRENCEBURG FAIR

Lawrenceburg is the county seat of Anderson County, Kentucky. This county is the home of Dr. E. T. Franklin, president of Union College and is one of the best counties of the State. The Fair was well worth attending and had a large exhibition of the finest saddle and harness horses, the typical Kentucky saddle type being the leading features in the horse shows.

Our winnings were: — Lucile won first in the \$200 stake for the best five gaited saddle stallion, gelding or mare, any age. Also first premium in harness and saddle ring of \$50.

Verda won first premium for best saddle mare, 3 years old and over, \$50.

Gladys won three second premiums in the harness and saddle classes.

These horses are showing this week at Shelbyville. Mack Hughes telephones us that a big effort on the part of saddle horse men in the central part of Kentucky will be made to beat Lucile there in the \$1,000 saddle sweepstakes ring on Thursday. I believe she has already beat the best in Kentucky and will be a sure winner in this sweepstake.

T. W. MINTON.

FINAL UNION SERVICE

The last service of the successful series of Union Services will be at the Presbyterian Church next Sunday evening, at 7:30. Every member and friend of the Barbourville churches is urged to be present.

METHODIST CHURCH SUNDAY, 11 A. M.

INSPIRING MUSIC HELPFUL SERMON

A CORDIAL WELCOME

SUNDAY SCHOOL 9:45

PRESBYTERIAN CHURCH

There will be the usual services on Sunday morning. The Union Service will be held in this church with Dr. W. B. Minton as the preacher, at 7:30. This will be the last of the summer series of union services.

UNION SERVICE

The best attended union service of the summer series was held at the Christian Church on Sunday night. Rev. John Owen Gross preached a fine sermon on one's duty as between man and man, basing his remarks on "Whatsoever ye would that men should do unto you, do ye also unto them." It was a sermon, which, if followed, would make the world a better place in which to live, including our county and city.

The union service on next Sunday night will be held at the Presbyterian Church with Dr. W. B. Minton as the preacher.

MINISTERS—ATTENTION

Please note that September 4th is Educational Sunday, September 5th is Americanization Day and September 10th is Kentucky Day, by proclamation of Governor Morrow. The object is—

1—To arouse a more active and more intelligent interest in popular education;

2—To give the people the facts about our schools and our school system as disclosed by the survey;

3—To present proposed plans for improvement, to explain the meaning of the two proposed amendments and to urge their adoption.

Have you written for a catalog of Union College yet?

Mr. Raymond Miller, of Salvia, has sold his sorrel show mare, "Lucile Lawrence," to T. W. Minton, of Barbourville, for \$2,500. The handsome animal has been a blue ribbon winner ever since she has been exhibited. Mr. Minton got his first glimpse of her at the Harrodsburg Fair, when she won over his mare. Last week after seeing her carry off the blues at the Perryville Fair he bought her.

The Herald is publishing Mr. Minton's account of the Harrodsburg Fair, clipped from the Barbourville paper. It is very interesting as the impressions of a stranger in our midst.—The Harrodsburg Herald.

Mrs. A. D. Smith and Miss Annie Mae leave today for a few weeks at Clear Creek Springs.

PLANT IS GROWING

Due to the increased patronage in the shape of advertising, the Mountain Advocate has had steadily to increase, not only the amount, but also the different sorts of type. We are laying several fonts more of type so that we cannot be caught without facilities to handle all the work that may come to us. Judging from the increase of advertising locally, we may reasonably expect that other merchants who have not yet used the Advocate for publicity will do so and not only build up their own business but keep much money at home that is now going abroad.

The linotype enables us to handle all kinds of reports, minutes, programs and club or lodge constitutions with absolutely new type for each job. The fact that so many of our other sorts have new faces, also means the best of clear printing. When our friends need anything done quickly and well, remember that the Advocate has been getting ready for the past two years in doing this very thing. The candidates in the recent primary all praise the way in which we handled their work. Let us do yours. Our prices are right too.

PLEASANT PARTY

Miss Annie Mae Smith entertained Tuesday evening of last week in honor of her house guests, Miss Virginia Schmidt, of Louisville, and Miss Blanch Smith, of Pineville.

The evening was filled with games, music and contests. Miss Blanch Smith won the girls prize and Jess Faulkner the boy's prize.

Ice cream, cake and home made candies were served.

PARENT-TEACHERS

The Parent-Teachers Association held a brief meeting on Thursday afternoon Aug. 25th, at the Presbyterian Church to elect officers for the coming year. This should have been attended to in May but due to the early closing of school was postponed until fall.

Nine members answered to roll-call. The following officers were elected:

President, Mrs. L. L. Richardson. Vice-Pres, Mrs. Ed Garrard. Secretary, Mrs. John O. Gross. Treasurer, Mrs. J. F. Ruggles. Meeting adjourned to meet Friday, Sept. 10th.

TIRE GIVES

WONDERFUL MILEAGE

Another big record for Royal Cord Tires was recently reported to the United States Tire Company. E. T. Capenir, who sells farms for a real estate firm in Salt Lake City, bought a new car in May, 1918, equipped with Royal Cords.

"I drove this car until a few weeks ago when I purchased a new car, and the speedometer registered 35,000 miles. As I have charge of our farm and ranch department a good deal of my driving was in the country. The tires were still comparatively good when I sold the car, which has gone into the taxi business. I noticed the car on the street today with three of the same tires still on it.

"I think they are the most remarkable tires I have ever seen in my life. Our whole selling force has been watching these tires for the last year, wondering when they were going to wear out."

CIVIC LEAGUE

A regular meeting of the Civic League was held last week Thursday with Mrs. J. E. Archer at the Jones Hotel. A representative body of ladies was present and much of the proposed business of the year was planned. A committee was appointed by the President to meet with the City Council and discuss matters of common interest—especially weeds. It was decided to publish a Year Book with the time and place of meetings. If any hostess is unable to have the meeting at the time assigned her she will have the privilege of changing to a more convenient time but will be responsible for the place of meeting.

A pleasant social half hour was spent while the hostess served iced watermelon.

The next meeting will be with Mrs. James D. Black and Miss Gertrude on September 8th, at 2:30 in the afternoon.

REV. J. W. BEAGLE TO BE AT THE BAPTIST CHURCH SUNDAY

Some of our most conservative men in our Church pronounced the service conducted by Brother Beagle at our Evangelistic Rally the most effective ever held in the County. You cannot afford to miss either the morning or evening hour next Sunday. Hear this consecrated, powerful speaker and you will come away strengthened and blessed.

CITY PUBLIC SCHOOLS

The City Public Schools will open Monday, Sept. 6th, with the following faculty:—

Prof. C. P. Caywood, Principal. Mrs. John O. Gross. Mrs. Will C. Black. Miss Nellie Jones, 7th and 8th. Mrs. John Ruggles, 6th. Miss Nellie Parrott, 5th. Miss Clara Campbell, 4th. Miss Nellie Wand, 3rd. Miss Rena Coffey, 2nd. Miss Ethel Campbell, 1st. Miss Louise Buck, music. Miss Gladys Johnson, Kindergarten.

Miss Louise Buck is a graduate of the Cincinnati College of Music and comes highly recommended.

AUTO ACCIDENT

As the result of an auto accident Sunday morning, Dewey Wyrick is suffering from three broken ribs, a cut face and numerous bruises and J. Frank Golden is on crutches with a sprained ankle and Robert Fletcher has a scratched nose. The auto, a Studebaker, was being driven by Dewey Wyrick and they were on the other side of the Stamper place on the Dixie Highway when the hind wheel evidently hung in a gutter causing the car to swerve and head directly down the bank for some 30 feet where it struck a woven wire fence, headed over and then rolled sideways several times. The marvel is that some of the occupants are not laid away in the cemetery after such an experience. All the wheels of the machine were torn off, the fenders were twisted, the body of the car was badly injured and the shields torn off. About everything that could happen to the outside of a car happened. The wreck was brought in Monday night.

ATTENTION

The Ladies of the Methodist Episcopal Church will serve Ice Cream during the County School Fair at Union College October 7th and 8th.

Mrs. W. B. Minton has accepted the Professorship of Spanish in Maryville College, Maryville, Tenn. The work will all be college grade, for which Mrs. Minton is thoroughly prepared being an advanced Spanish student, both from a knowledge of the literature and the practical use of the language, which she can speak equally as well as English. Mrs. Minton will be greatly missed from the literary life of Barbourville.

Advocate Printing quickly done.

CHARLIE LIENBEE ESCAPES

On Friday night Charlie Lienbee, charged with forging a check on a man in Bell County, was brought in by Sheriff B. P. Walker. As he wanted to take the prisoner to Pineville Sheriff Walker did not put him in jail but took him to his home. About 7 o'clock the lights went out and while Sheriff Walker was in another room, the prisoner slipped out and was gone. A reward of \$50.00 is offered for him by the Sheriff.

THE SCHOOL AMENDMENT

Citizens will be invited to vote on an amendment for schools in November. The Amendment provides that every child in Kentucky shall have the privilege of at least six months school each year, adequate school houses, equipment, sanitary conditions, and that the pay of the teachers shall not be less than \$75 per month.

It also provides that each county shall levy a tax of 25c and not more than 50c on each \$100. The sum raised in the county and the sum paid by the State to constitute the county school fund.

The Amendment provides that 19 per cent of the State funds shall be used in providing for those schools which are unable to meet the legal requirements.

This Amendment takes the office of State Superintendent out of politics. Vote for the Amendment and help bring Kentucky to the front rank with her schools.

UNION COLLEGE OPENING

Union College is shaping up its plans for the opening of the fall term, September 20th. The faculty will be up to the same high standard as in the past few years. It will be strengthened some this year with the addition of T. B. Bancroft, a graduate of Otterbein College, Westerville, Ohio, and Miss Mildred Murphy, of Havana, Ill. Mr. Bancroft will teach French. Miss Murphy comes from the Columbia School of Oratory, Chicago, Ill., and will have charge of the expression department. Mr. S. P. Franklin, who graduated this year from Northwestern University, Chicago, will teach psychology and education. Misses Mae Carter and Mabelle Heger will be in charge of the piano and voice departments. Young people from many parts of the State have written that they intend to enter this fall and indications are that the school will have a full enrollment.
